

Important Announcement

Sadly in light of the recent escalation in cases of Coronavirus Covid19 in our country, & following the recent advice by our government on social distancing, In the interests of the safety and wellbeing of both our staff & customers and their families too, we have decided to take a break from the hospitality industry as from today, here at The White Pheasant in Fordham.

Thank you all, for your support of our restaurant & we look forward to re-opening the doors once advised by the government that it is safe to do so.
